The Lifestyle Finishes™ Planogram POP Guide

The Lifestyle Finishes Planogram Book is designed to illustrate two applications for each Lifestyle Finishes product. The top application shows the Lifestyle Finishes product applied straight from the can without any tinting. The bottom application provides an example of a simple decorative look that can be created with the product.

This is a guide for each page of the Planogram POP, including application method and the tinting formula, using Benjamin Moore 229 Gennex Tints. **All tint formulas are in gallons, unless otherwise noted.**

Metallic Pearl

	Untinted	Brushed			
	Tinted Pale Blue	Rolled with microfiber 2 coats	Gennex Name	Tint	1/32 Shot
			Black	S1	0X 3.25
